

Highlands Fire District

Certified Firefighter Hiring List

Initiated September 16, 2016

I have reviewed the Firefighter Hiring Process and testing results. I find all aspects to be in compliance with the Highlands Fire District Human Resource Policy. This ranked list is being established for posting and distribution for all to view. This list is in effect for one year, with provisions for two six month extensions, if determined advantageous by the Fire Chief. Congratulations to all who are on the list.
